

# K W AUTOS

To whom it may concern.

We have used Fresh Gold Radio and their staff for a great number of years now,

Both Commercially to advertise my business K W Autos and privately by supporting the charities that I support.

This has included their advertising via the radio station and even more generously by giving up their staff's free time to provide music and general support when asked to do so.

I cannot thank or recommend them enough.

Ken Wells

Proprietor

K W Autos
